Join our team **Credit Risk Management**, as

## Senior Risk Manager - Project & Leveraged Finance, Mezzanine (m/f/d)

### Key Responsibilities

- In-depth credit risk evaluation and analysis of project finance, LBO and corporate financings.
- In-depth due diligence, evaluation of structures and determination of appropriate ratings.
- Strong and credible sparring partner for the client-facing units when discussing structures and credit matters on transactions arranged by the bank.
- Portfolio monitoring, including annual reviews.
- Determining the credit strategy and close management of potential work-out exposures, including conducting impairment tests.
- Coaching junior members of the team.
- Contributions to and lead on other topics of the department, i.a. policies and methods, reporting, audit and regulatory matters and special projects.

### Requirements

- Bachelor's and/or Master's degree in Business Administration and/or Economics.
- Work experience (min. 10 years) in Project Finance, LBO or other structured transactions, with in-depth analysis and due diligence experience either in a client-facing unit or in a credit risk function.
- Ideally, you have experience in evaluating mezzanine and other junior and equity-like instruments.
- You have the expertise, credibility and communication skills required to transport the risk department's position towards other units and in committee.
- You are fluent in English, both written and oral, and preferably also in German.
- You are analytical, precise, and a committed team player able to work diligently under time pressure in a high-paced environment.

We are required by law to specify the minimum salary under the collective agreement for employees of banks and bankers, which amounts to a monthly gross amount of EUR 3.458,59 based on the requirement profile set out above. Of course, we offer a market-compliant payment, depending on your experience and qualifications.
