

## ABOUT US

Our vision: We will become the most agile and nimble infrastructure bank in Europe. We help creating a better world by enabling sustainable infrastructure that improves the quality of people's live.

Always first: We are always first when it comes to delivering outstanding results with speed and precision. We never stand still. We take "always first" as an obligation to get better every day.

## LOOKING FOR A NEW CHALLENGE?

In this entrepreneurial growth environment, Kommunalkredit is looking to expand its product, structuring and syndication & loan management teams in Vienna and Frankfurt. It offers ample space for creativity, self-initiative and personal development.

Join our team Loan Management, as

### Loan Manager (m/f/d)

#### Key Responsibilities

- Reviewing and understanding syndicated credit agreements as well as LMA standard documents and other trade-related documents including trade confirms, transfer certificates, assignment agreements and proceeds letters.
- Take ownership of the daily loan processing, mainly input and ongoing maintenance of all relevant loan documentation / transaction data in the bank's core IT system (SAP) in the middle office.
- Conduct KYC and client onboarding checks in close cooperation with the Compliance and Legal Teams.
- Monitoring and management of all transaction related payments throughout the life of the transaction.
- Interaction with the Origination / Structuring Team; assisting in transaction closing procedures, preparation of transfer documentation etc.
- Support the Portfolio Management in portfolio analysis & management reporting.

#### Requirements

- Subject matter expertise in relation to loan transfer documentation and loan settlements.
- Good knowledge of all loan operations processes.
- Min. 3-5 years of relevant and current loan operations experience.
- Experience using a commercial loan management system and proficient in Office applications.
- Effective communication skills, both oral and written along with solid interpersonal skills.
- Ability to multitask efficiently under pressure and in a fast-paced environment.
- Excellent English language skills.

The position is governed by the collective agreement for banks and bankers. The monthly basic minimum salary is EUR 2670,10 gross based on the requirements mentioned above. Overpayments are possible depending on your qualification profile.
