

ABOUT US

Our vision: We will become the most agile and nimble infrastructure bank in Europe. We help creating a better world by enabling sustainable infrastructure that improves the quality of people's life.

Always first: We are always first when it comes to delivering outstanding results with speed and precision. We never stand still. We take "always first" as an obligation to get better every day.

LOOKING FOR A NEW CHALLENGE?

In this entrepreneurial growth environment, Kommunalkredit is looking to expand its legal team in Vienna. It offers ample space for creativity, self-initiative and personal development.

Join our legal team, as

Senior Legal Advisor – Project Finance (m/f/d)

Key Responsibilities

- You provide legal in-house advice on large-scale project finance transactions in the infrastructure & energy sector (eg. energy and environment, communication and digitalization, transport, social infrastructure, natural resources).
- You provide legal in-house regulatory advice with respect to structuring of financing projects.
- You, as a generalist, are responsible for legal advice on all other banking topics outside the day-to-day business.
- You are responsible for the legal review, negotiation and drafting of contracts and documentation in English and German.
- You act as central contact point with external law firms.

Requirements

- You have at least 5 years of working experience, thereof at least 3 years experience in international (EMEA) project financing (senior / mezzanine debt / equity) or syndication in a law firm or bank.
- You have a proven track record as lead counsel for LMA based infrastructure finance projects.
- You are able to understand the project related legal requirements of the specific industry in a project.
- You are fluent in German, English, both speaking and writing.
- You are an excellent team player with analytical quick thinking and a solution-oriented approach.
- You have very good negotiation skills, confident manner and impress with high self-motivation, independence and self-reliance.
- You provide extensive analytical skills for understanding complex processes.

We are required by law to specify the minimum salary under the collective agreement for employees of banks and bankers, which amounts to a monthly gross amount of EUR 3.330,32 based on the requirement profile set out above. Of course, we offer a market-compliant payment, depending on your experience and qualifications.
